

Tombill Mines Announces Appointment of Athanasios Pythagoras as Its New CFO

Toronto, Ontario & Geraldton, Ontario--(Newsfile Corp. - June 15, 2022) - Tombill Mines Limited (TSXV: TBLL) (OTCQB: TBLLF) (the "Company", "Tombill"), is pleased to announce that it has appointed Athanasios Pythagoras ("Thanos") as its new Chief Financial Officer.

Thanos is a Chartered Accountant with 20 years' experience in a number of B2B sectors across Europe. He has held senior positions leading the finance function of sizable, listed companies. Thanos's experience in accounting and strategic finance are complimented by his commercial exposure to project led B2B Mid-sized listed companies.

Adam Horne, CEO stated, "We are always looking for talented executives to further strengthen our Tombill management team, and Thanos brings the entrepreneurial mindset and strategic experience that we need. We are very much looking forward to working together."

Thanos added, "It is my pleasure taking over as CFO for Tombill, I have the utmost respect for the long history of the company and contribution to the mining industry in the area; whose faith on the potential remained strong through the decades and validated by the neighbouring world class Hardrock Project. I am happy to be joining an already established team of professionals with the aim of furthering the business objectives and creating significant shareholder value in the future."

Mr Pythagoras's appointment as the CFO of Tombill is subject to approval by the TSX Venture Exchange.

About Tombill

Founded 1935, by Newmont Mining and prospectors' 'Tom' and 'Bill' Johnson, Tombill (TSXV: TBLL) (OTCQB: TBLLF) owns 2 of the 10 past-producing mines in the Geraldton gold corridor, 4 claim groups, of which 3 are situated in the Geraldton gold district of north-central Ontario (about 225 km NE of Thunder Bay). Geraldton offers optimal and installed infrastructure. Holdings comprise 74 royalty-free mining claims (60 fully owned patented claims, 5 leases, 9 mineral rights only). Of these, the 51-patented claim Main Group is in the center of the Geraldton Gold District and straddles the Trans-Canada Highway; the 5-claim Ellis Group lies 4 km south of the town of Geraldton; and the original Tombill Mine group of 6-patented claims sits 10 km west-southwest of Geraldton. The Tombill Gold Mine produced 68,737 high-grade gold oz between 1938 and 1942 in the southeast corner of the claim group. The Talmora Longlac Mine, located in the northeast of the Main Group property, was built in 1941, but saw only minor production before closing in 1942 (1,406 gold oz). The Main Group borders on the property of the under-construction Greenstone Mine, which will be one of Canada's largest gold mines with production aimed for 2024.

Cautionary Note Regarding Forward-Looking Information

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to the trading date of the Company's common shares on the TSXV. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "will" or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made, and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.

Additional information identifying risks and uncertainties is contained in filings by the Company with the Canadian securities regulators, which filings are available at www.sedar.com.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.
